

## **School of Education Northern State University**

### **Position Title: Assistant or Associate Professor of Counselor Education**

**Responsibilities:** Northern State University invites applications for a full-time, tenure-track faculty position in Counselor Education with a start date of August 2018 with option for summer 2018 teaching. Responsibilities include teaching graduate courses in a learner-centered environment, practicum and internship supervision, academic advisement, scholarly activity, and service to the university and community. Rank and salary are commensurate with qualifications and experience.

**Qualifications:** Applicants must have an earned doctorate in Counselor Education from a CACREP-accredited program (ABD considered) by the time of appointment.

**About Northern State University:** Northern State University is a premier residential institution characterized by outstanding instruction, extraordinary community relations, and unparalleled extracurricular opportunities. NSU is developing a faculty reflecting cultural diversity and is strongly committed to the recruitment, hiring, and retention of underrepresented groups. For the past seven years, NSU has been named by US News and World Report as one of the best higher education institutions in the Midwest.

Northern State University is organized into the College of Arts & Sciences, School of Business, School of Education, and the School of Fine Arts. The School of Education offers graduate programs in Counseling, Teaching and Learning, Leadership and Administration, Sport Performance and Leadership, and E-learning. Undergraduate programs include Elementary and Special Education, Secondary Education, K-12 Education, Psychology, Human Performance and Fitness, and Sport Marketing and Administration.

Northern State University offers both faculty and students access to a uniquely sophisticated E-learning environment, providing an extraordinary opportunity to advance innovative practices in education. Northern State University is fully accredited by CACREP, NCATE, and HLC.

**Setting:** Northern State University is located in Aberdeen, a vibrant community in northeastern South Dakota. A city of approximately 26,000 people, Aberdeen is a retail hub for the region and offers a healthy community, excellent schools, and abundant recreational and outdoor activities. The University enjoys a positive and strong relationship with the city and region.

**Application:** Review of applications will begin October 15, 2017. The position is open until filled with an anticipated August 2018 start date.
