

Assistant Professor – M.Ed. Counseling Program (Two positions)

School of Health Sciences

Stephens College invites applications for two (2) Assistant Professor, 12-month, non-tenure track positions for the M.Ed. Counseling program. The M.Ed. Counseling program offers emphasis tracks in Clinical Mental Health Counseling, School Counseling, and Addictions Counseling with a current enrollment of over 115 students. The curriculum is offered primarily in-class, during the evenings. Stephens College is committed to pursuing accreditation by the Council for Accreditation of Counseling and Related Educational Programs (CACREP) and is actively seeking faculty to fulfill core roles for this program. Appointments will begin in August, 2018.

Major/Essential Job Duties

- Teaching graduate courses in core counseling areas and/or specialty areas of school counseling or addictions counseling
- Developing and implementing a program-relevant research agenda
- Providing service to the College community at multiple levels
- Maintaining active participation/membership in relevant professional activities/associations
- Assisting the Program Director with the CACREP accreditation process
- Providing academic advising to graduate students

Stephens College is committed to the promotion of diversity and thus the candidate should facilitate a work environment that encourages knowledge of, respect for, and ability to engage with those of other cultures or backgrounds. Candidates should have an understanding and knowledge of multicultural and diversity issues, and their potential applications to pedagogy, programming, and service activity.

Required Education and Experience

- Doctorate in Counselor Education from a CACREP-accredited program.
- Experience teaching at the graduate level
- Record of, or documented potential for, research and publication at the state, regional, national, or international level

Preferred Experience

- Background in School Counseling or Addictions Counseling

Stephens College is a women's college proudly located in Columbia, Mo., home to a flagship public university and two private colleges. Since its founding in 1833, Stephens has been offering innovative, career-focused programs grounded in the liberal arts with a focus on creative arts and health sciences. The faculty take a hands-on, experiential approach to education, making sure students get both quality classroom instruction and external work experiences that complement their coursework. Graduates are prepared to become leaders and innovators in a rapidly changing world. Stephens also provides graduate, online and certificate programs to women and men as part of its commitment to lifelong learning.

The College community prides itself on fostering a close-knit faculty atmosphere and on providing a welcoming, learning-centered environment for students. The learning community is distinguished by small classes, close engagement with faculty, intellectual rigor and vibrant programs of study that reflect the College's mission of Learn. Grow. Lead. Stephens College contributes to the vibrant social and cultural climate that makes Columbia, Missouri such a desirable place to live.

Stephens College offers excellent benefits, including vacation/holiday/sick pay, health/dental/life insurance, tuition waiver and College-paid retirement plan.

To Apply: The Stephens College online application form must be completed and submitted via email attachment with a current curriculum vitae, a list of three references with contact information and a cover letter that describes how the applicant's qualifications and experience align with the job description.

Electronic application: <https://www.stephens.edu/forms/HRApplication.php>
